

Parish dog bins - update

05 March 2023

OVERVIEW

WODC removed the two dog bins owned by the Parish Council during their bin refurbishment programme in 2022. The Council would like the Taston bin replaced, and to receive monetary compensation for the Spelsbury bin

SPELSBURY DOG BIN

WODC have been asked to compensate the Council for this bin. No response has been received.

TASTON DOG BIN

- WODC have acknowledged that the bin has been removed.
- WODC have agreed to replace the bin with one of their new style bins – but will charge the PC £8.37 for the weekly emptying/maintenance of the bin.
- Alternatively, WODC will arrange to replace the bin with the type owned by the Council – but this will be the PC's responsibility to arrange the emptying.
- WODC have advised that Ubico will no longer empty the old style bin.
- Ubico have been contacted directly to provide a quote or advise that they are no longer undertaking this work – no response has been received.
- Another contractor has been contacted to provide a quote – no response has been received.
