How to make a donation.docx;

Hello,

I hope this email finds you well. My name is Ian, I'm the Head of Development here at Oxfordshire Mind.

I am writing to you today on behalf of Oxfordshire Mind. Oxfordshire Mind has been dedicated to supporting people and promoting better mental health services within Oxfordshire for over 50 years. Like all local Minds, we are an independent charity that is proud to be affiliated with the national Mind association. We believe that no one should have to face a mental health problem alone and that everyone of us who struggles with their mental health deserves both support and respect.

In the last 12 months we have supported over 91 people in your postcode.

We are proud to support the people who live in your community. We will continue doing so for as long as we are needed and are able.

Unfortunately, the demand for our services is growing rapidly which is why I am writing to you today. If you could please consider donating to Oxfordshire Mind this winter. We would be so grateful. Your contribution, no matter the size, will make a meaningful difference for those of us struggling with poor mental health, your donation will allow us to extend our support to even more people in Spelsbury.

If you cannot donate at this time, please do consider us for your Christmas collections, or as your chosen charity for 2024 (details on how to donate attached).

Please do not hesitate to contact me if you'd like to know more about our work or how your donation will help us reach more people in your community.

Best Wishes,

Ian Nutt
