## 4. REPORT FROM THE CHAIR

Rick Leyland thanked Graham Beacham for his work as Chairman year. The new Council has been in position now for one year, following the election last year, and Rick thanked the Council and Clerk for their work over the past year.

The website has been built and is being managed by Helen Datson.

The defibrillator has arrived and will be fitted outside the Memorial Hall.

Following the playground inspection last summer, equipment repairs have been undertaken, and a working party has tidied up the area.

The phone box in Spelsbury is going to be removed by BT. The Council looked at the option of keeping it, but decided against this.

This autumn a "roadside nature reserve" will start to be created in Spelsbury.

The parish has suffered ongoing issues with "Highways" due to the lack of resources, resulting in minimal work being undertaken.

The Council is waiting on the outcome of the changes in County Council/District Council organisation, so that we will know what we will need to provide at a parish level.

Rick thanked the Clerk for her work on the legal and internal Council paperwork.

## 5. OTHER REPORTS

Reports were not received from the District or County Council

## 6. THE MEETING WAS CLOSED BY THE CHAIR
